## HOMEBOUND OUTREACH PROGRAM

A Delivery System  
for the Smithton  
Public Library District

*How does  
it work?*

## FIRST, APPLY

Smithton Public Library District resident card-holders, over 18 with no fees owed, may apply for HOP delivery service. Your account will be marked and checked on delivery days. We'll bring you any items already on the hold shelf under your name.

Our driver's vehicle will bear the library's logo.

## SECOND, PICK

As it is a new program, we're starting with three options for delivery days:

- Tuesdays, 4pm - 5pm
- Wednesdays, 11am - noon
- Fridays, 11am - noon

## THIRD, RELAX

Any requested items that are checked into the library's hold shelf under your name ahead of the HOP visit day/time will be delivered to your drop-off point.

*Your time is your own!*

## NO, REALLY...
